Hi I'm Paula and Momma's Magic Kitchen was started in June 2021. I have always wanted to start my own business and "Baked Goods" is my passion. Our classic and tasty treats are made daily by in-house bakers, using the freshest & finest ingredients with no preservatives. We have delivery available in Bismarck and Mandan and are working to come to other communities once or twice a month. Veterans, Military, First Responders receive 10% off any purchase and we thank you for your service to our country and communities. Momma's Magic Kitchen will be bringing lots of goodies for sale. ## The Salty B by Cee Cee

I am from New Salem, originally from Fessenden, ND. I poured candles back in the early 2000's and then retired as I felt I didn't really have time to craft my vessels. Back then there wasn't Marketplace, Etsy, Amazon, Facebook, Twitter, etc. and it was hard to sell as marketing was via word of mouth, which isn't a bad marketing idea now days! I enjoy pouring, mixing color and finding the perfect scents! I love small town vendor shows and people from these towns are truly the best! I am looking forward to Saturday!

## Quilting For You *Our Silent Auction*

Quilting for You, formerly of Washburn currently and permanently of Mandan was established in 2003 by Bobbie Barnhardt. Bobbie got into Quilting as a way to supplement their family's income when their three boys were young and in sports. Working a regular job was difficult due to the age difference of her children and having them all go in separate directions. Quilting was a way for her to make money, and still watch her children grow. And participate in their activities. Bobbie can often be found looking through patterns, creating designs and long arm quilting. Her favorite is long arming and 20+ years of experience has given her the knowledge to teach and assist others. She loves holding classes and sharing what she does with anyone willing to learn many of the quilts she makes are used as door prizes or donations and that suits Bobbie just fine. She loves to give her quilts to people that will use them and value them. She quilts nearly every day as this is her passion for the quilt that is going to be on the silent auction. The quilt was made as a class sample for a class Bobbie held in her shop and is backed with wonderful soft and fluffy minky. If you are the lucky one with the highest bid, you must do one thing! Use the quilt and do not store it away. That is all I ask for you. Enjoy.
