## SPRING 2023 VENDOR SHOW

### Thank You

The 2023 Spring Vendor Show was a success! It is all thanks to our vendors, non-profit organizations, our venue owners Lee & Jane for having such a beautiful space, our Ava's Light staff, and in no small part, YOU, our supporters, and customers for coming and shopping the day away with us. Thanks to our vendor drawing (each chose organizations near & dear to their hearts and one was chosen to receive) and our silent auction, we were able to donate a portion of the proceeds from that day to Central Dakota Humane Society. We are so happy that we could share this fun event with you all and are looking forward to our July 29<sup>th</sup> and October 7<sup>th</sup> shows! Stay tuned to The Dam News for details to come. Thank you from the bottom of our hearts for being a part of this very special day as the journey for Ava's Light has begun.

#### Ai Za & Imm

Our Silent Auction was also a huge success and proceeds were combined with the vendor drawing.

Quilting For You donated several quilts & items including the minky quilt and beautiful Zentangle painted canvas bags.

Thank you, Bobbie Barnhardt, for sharing your incredible work for this special event! Also thank you to Wolf Creek Winery, Kimi's, Trix & Mavie, Pampered Chef, The Happy Glammer, Norwex, Tammie's Salvage, & Freezin USA for donating their special items for the auction.

Riverdale High Lodge Coliseum was the perfect location for the Spring Event

Wendy Sanderson brought her Happy Glammer boutique inside for the day

Lois Zahn with Funtime Karaoke & DJ Service provided entertainment & photobooth fun!

# NORTH DAKOTA GAME & FISH

## 2023-24 Licenses Needed April 1<sup>ST</sup>

North Dakota anglers, trappers and hunters are reminded that new licenses are required beginning April 1.

[Licenses can be purchased online](#) by visiting the North Dakota Game and Fish Department website, [gf.nd.gov](http://gf.nd.gov). Once the license is processed, hunters and anglers will have the option to print a hard copy and/or download the license to a smart phone or mobile device, which is helpful when asked to show proof while hunting or fishing in rural areas that lack cellular service.

Licenses can also be purchased at [more than 140 vendor locations](#) throughout the state. The 2023-24 small game, fishing and furbearer licenses are effective April 1, 2023 to March 31, 2024.

## Elk, Moose, Bighorn Sheep Applications Online

Elk, moose and bighorn sheep [applications are available online](#) at the North Dakota Game and Fish Department's website, [gf.nd.gov](http://gf.nd.gov). The deadline for applying is March 29.

A total of 603 elk licenses are available to hunters this fall, an increase of 40 from last year.

Licenses in units E1E and E1W increased due to a stable to increasing elk population. Licenses in elk units E2, E3, E4 and E6 remain the same as in 2022.

A total of 257 moose licenses are available, a decrease of 147 from last year.

Licenses in units M6 and M8 remain the same as the moose population appears to be stable with good hunter success in these units. Licenses in M5 increased slightly due to a stable population and several consecutive years with all hunters successful in this unit. Licenses in M9, M10 and M11 are reduced due to an observed decrease in the population from winter aerial surveys, a decrease in hunter success and a winter tick outbreak the previous spring that impacted the population in these areas. Moose units M4 and M1C will remain closed due to a continued downward population trend in the northeastern part of the state.

A bighorn sheep hunting season is tentatively scheduled for 2023, depending on the sheep population. The status of the bighorn sheep season will be determined Sept. 1, after summer population surveys are completed.

Bighorn sheep applicants must apply for a license at the same time as moose and elk, but not for a specific unit. Once total licenses are determined for each unit in late summer, the bighorn lottery will be held and successful applicants contacted to select a hunting unit.

Because the bighorn sheep application fee is not refundable as per state law, if a bighorn season is not held, applicants would not receive a refund.

Elk, moose and bighorn sheep lottery licenses are issued as once-in-a-lifetime licenses in North Dakota. Hunters who have received a license through the lottery in the past are not eligible to apply for that species again.

## Game and Fish Announces Mobile App

The North Dakota Game and Fish Department developed a [new mobile app](#) that allows outdoor enthusiasts instant access in the field to their licenses, hunting and fishing regulations and other important information.

To download the app, go to Google Play Store or Apple App Store and search NDGF or North Dakota Game and Fish Department.

# NATIONAL PUPPY DAY ~March 23<sup>rd</sup>

[National Day Calendar](#)

[National Puppy Day~March 23 Video](#)

Observed each year on March 23<sup>rd</sup>, National Puppy Day celebrates the unconditional love and affection puppies bring to our lives. Their cuddles and wiggles make us smile and without a doubt, there are squeals of delight when there are puppies around!

## #NationalPuppyDay

The day also brings awareness to the need for care of and homes for orphaned pups as well as to educate people about the horrors of puppy mills across the country. Puppies are a big responsibility. Be sure to consider everything involved and adopt from a shelter. The puppies there need love and a home just as much as any other and they grow into loyal pets, too!

According to the ASPCA, approximately 3.3 million dogs enter shelters every year. Some of these dogs come with litters of puppies. If you're seeking a puppy to start your furry family, check the shelters first. When these abandoned and abused animals find their way to a shelter, each one needs a forever home and their potential is limitless.

## HOW TO OBSERVE NATIONAL PUPPY DAY

- Use #NationalPuppyDay and post photos of your puppy on social media.
- Go to the dog park and let your puppy play.
- Pick up a special treat for your puppy.
- Go for a walk with your young friend.

## NATIONAL PUPPY DAY HISTORY

National Puppy Day was founded in 2006 by Pet Lifestyle Expert, Animal Behaviorist and Author, Colleen Paige. Paige is also the founder of National Dog Day and National Cat Day.

## Puppy FAQ

Q. When do puppies become adults?

A. Puppies attain adulthood at various ages depending on the breed and size of the animal. However, they typically become adult dogs between their first and second birthday.

Q. Which is easier to train, puppies or adult dogs?

A. Both puppies and adult dogs can be successfully trained. However, puppies haven't developed any bad habits yet, so training a puppy is often easier than training an adult animal.

Q. Do I have to have a puppy to celebrate National Puppy Day?

A. No. Anyone who is a dog lover can celebrate the day.

He is your friend, your partner, your defender, your dog. You are his life, his love, his leader. He will be yours, faithful and true, to the last beat of his heart. You owe it to him to be worthy of such devotion.

My story

When I moved to this area a few years ago from out of state, I realized that all things revolve around beautiful Lake Sakakawea. The communities wouldn't be here if it wasn't for the Dam and because of the incredible history in this area, The Dam News will celebrate all communities and those within that make this so special. ~Brenda
