North Dakota's 10 Best Small-Town Bar & Grills

[North Dakota's 10 Best Small Town Bar & Grills \(us1033.com\)](https://www.us103.3.com/north-dakota-10-best-small-town-bar-grills)

I recently did a story on the 10 Best Small Town Cafes in North Dakota. You can read more about that [here](#). I took in hundreds of calls on the air, tabulated votes on our app, and social media pages.

During this process, I also received a lot of votes for small-town bar and grills.

Since I did not want to include these with small town cafes, I have decided to run a separate story on these North Dakota gems.

These small-town bar and grills are iconic in these little communities. They provide a place to gather with friends and family after a long day of work, throwback a cocktail or two, and enjoy a first-class meal.

I have had the privilege of getting to know several of these North Dakota establishments.

I love exploring North Dakota and all of the hidden heritage hot spots that go with it. Whether it be from hunting, fishing or just traveling. Our North Dakota roots run deep and the numerous small towns that dot our landscape are a big part of our history.

I would highly suggest you take a North Dakota road trip one of these weekends and support these small-town saloons and grills. They are an important part of the economic landscape in these communities

So, without further ado, these are the 10 Best Small-Town Bar & Grills in North Dakota.

Let's see how many of these honey holes you have attended before. Several are within a short driving distance from Bismarck Mandan.

#10 Captain's Cabin-Washburn: Captain's Cabin just made our list coming in at #10. Our listeners were very fond of the service and burgers.

#9 Hacienda Steakhouse-Burlington: The Hacienda is known for its mouth-watering steaks according to our listeners. Burlington is close to Minot, North Dakota.

#8 White Maid Diner & Bar-Napoleon: A very popular area bar & grill. People in Bismarck Mandan have been known to make the drive to Napoleon just to experience the atmosphere, service, and food of course.

#7 Rusted Rail Bar & Grill-Underwood: Another very popular stop for people in Underwood and lake goers on their way to Sakakawea

#6 B-52 Roadhouse & Lanes-Harvey: The B-52 Roadhouse & Lanes is a place where you can mix, beer, great food, and knock down some pins.

North Dakota's 10 Best Small-Town Bar & Grills cont.

#5 Iron Oar-Riverdale: I had a chance to stop a couple of times at the Iron Oar while I was hunting this past fall and I have to agree with my listeners. I love the atmosphere and food.

#4 Sykeston Dam Bar & Grill-Sykeston :This little gem is located in Sykeston, North Dakota on Highway 200 just west of Carrington. It's long been known for its delicious food and service.

#3 Punky's Bar & Grill-Dazey: The pride of Dazey, North Dakota located in Barnes County. Dazey is about 1/2 way between Cooperstown and Valley City. The locals really rave about this place.

#2 Rusty's Saloon & Grill-St. Anthony: Rusty's Saloon & Grill in St. Anthony, North Dakota is not only a favorite for people who live near this small-town community in Morton County, but also a favorite of Bismarck Mandan. Awesome atmosphere, food, and service.

#1 Little's Bar & Grill-Pick City: Number one with a bullet. By far the most popular answer in my survey, which really says something about the place. People really raved about the grub, suds, and service.

Editors note: Little's Bar & Grill was the feature story on January 11, 2023, in The Dam News and wanted to share their story again. Congratulations Lee, Noelle and family!

Also, Congratulations to Nate and The Iron Oar here in Riverdale....feature story coming in the near future.

Submitted by Lee & Noelle Little

What began as Treehouse Diner, had several owners under that name. In 1995, it was purchased by Carlye and Shirley Reef, changing the name to Dazey Dukes and owned until 2005 when it was then purchased by Lee Little and renamed The Little Bar & Grill. Creating a rustic look was very important and we did a lot of remodeling to create that atmosphere, including lots of wildlife mounts which people enjoyed. The business grew more every year as Lake Sakakawea kept getting busier. We survived the pandemic which started in the Spring of 2020 and in July 2021, Littles sustained a terrible fire and was total loss. In June of 2022 The Little Bar & Grill reopened and we haven't had time to look back! Our children Tyler, fiancé Alyssa, Anna, boyfriend Reyes moved back to help run the day-to-day operations of Littles. Both have set down their roots, buying homes and giving us two amazing granddaughters. It's been a wild ride and Noelle and I love all the people we have met over the years, and many have become lifelong friends. With most of our family back, the next chapter has begun!

Now....on to another Local Top 10 These are the 10 BEST Dive Bars in the state of North Dakota!

That's a bold statement, but I just got done counting more than 1,000 votes from our listeners, readers, and fans, so I'm sticking to it. This is actually a story a year and a half in the making.

As a big hunter and fisherman, I enjoy stopping into the local establishments and having a beer with the locals in small towns all across North Dakota. This has taken me to some interesting-looking places. I still remember the time when I stopped into Gunny's in Elgin and one of the patrons looked at me in my orange pheasant hunting vest and said to me, "This ain't no college bar." Ouch, not a warm welcome from him but it wasn't long, and locals were warming up to my friends and me. Another time we grabbed a beer at the Cannonball Saloon in Regent after chasing some roosters, and some mom asked if I would take her daughter to prom. Yes, this was a few years ago, but something I'll never forget being way out of high school.

#10 The Sportsmen's Bar-Wilton: If you want night life in Wilton, this is where you go!

#9 The Dam Bar-Pick City: After a long day on the big lake this is the perfect stop.

#8 The Parrots Cay-Grand Forks: Where they hang the bras on the ceiling along with dollar bills. A popular stop for softball teams.

#7 Our Place Tavern-Bismarck: You can smell the Busch Light from here. One of Bismarck's most well-known dive bars.

#6 Bernie's Esquire-Dickinson: Looks too nice on the outside to be a dive bar but it's a favorite among our listeners.

#5 I Don't Know Bar-South Heart: Another popular watering hole in western North Dakota.

#4 The Corral Bar-Bismarck: Another dive bar gem in Bismarck

#3 Muddy Creek Saloon-Almont: Great place to stop for a beer after a long day of chasing roosters.

#2 Vicky's Place-Mandan: Mandan is the home to the Top 2 dive bars in our survey, including Vicky's Place.

#1 Old Town Tavern: Number one by a mile according to our listeners. It wasn't even close; the KING of dive bars goes to Old Town Tavern.

Editors note: The Dam Bar was the first feature story on January 4, 2023, in The Dam News and its very special history deserved to be told again. Congratulations Jeff, Jody and family!

DAM BAR AND STEAKHOUSE

The Garrison Dam construction began in 1946 and was completed in 1955 at the cost of 300 million dollars. When it was built it was the largest rolled fill earth dam in the world and currently the 5th. The dam also creates the 3rd largest man-made lake in the U.S., Lake Sakakawea. The Garrison Dam embankment consists of 66.5 million yards of rolled earth fill and 1.5 million cubic yards of concrete. The width of the base of the dam is 2,600 feet and top width is 60 feet. The dam is 210 feet high and stretches across the Missouri River for 2.5 miles. The dam houses five hydropower generating units. Lake Sakakawea formed by the impoundment of the Missouri River is

178 miles long and has over 1,500 miles of shoreline. The lake is an excellent recreational source boasting great fishing, boating and camping. On June 1, 2011, the spillway gates were used for the first time lowering the dam. The Dam Bar was built in 1947 by Vince Mayde. Hard working crews during the construction of the dam deserved a place for cold brews. In July 2022, The Dam Bar was chosen as one of the Top 10 Best Dive Bars in North Dakota! Now as we celebrate 25 years, we remember those throughout the years, continue to share the stories & celebrate all the new memories to come. ~Jeff & Jody Reinke

NORTH DAKOTA GAME & FISH

Fish Challenge Open

North Dakota is home to a wide variety of fish species and our fisheries department works hard to stock waters across the state for angler enjoyment.

To encourage exploration of the state's fisheries, anglers fishing in North Dakota are invited to [complete the second annual Fish Challenge](#).

New this year, anglers can choose to complete the Sportfish Challenge by catching a bluegill, walleye, bass and trout, or last year's Classic Challenge requiring a northern pike, yellow perch, smallmouth bass and channel catfish. Either way, the process is simple - snap a photo of each and submit your entry on the North Dakota Game and Fish website, gf.nd.gov, now through Aug. 15.

Anglers who complete either challenge will receive a decal and certificate.

Lehr Wildlife Club Honored

The North Dakota Game and Fish Department recognized the Lehr Wildlife Club with a certificate of appreciation for the difference the club has made at its local fisheries.

"Over the years, the club has been active and cooperated with the Game and Fish Department on development and maintenance of a wide variety of public use facilities on area lakes and recreation areas," said Wes Erdle, fisheries development project manager. "Activities include partnering with Game and Fish on boat ramps, courtesy docks, fishing piers, roads, vault toilets and parking areas at sites such as Lehr WMA, Mundt Lake and most recently Railroad Lake."

The Lehr Wildlife Club, Erdle added, has also been very supportive in providing the all-important role of ongoing maintenance on the facilities at their local fisheries.

"As we all know, maintaining anything is as important as the initial construction and the club does an outstanding job in performing this task," Erdle said. "The club was selected from a long list of candidates throughout the state and is a very worthy recipient of this award."

POWER LINE SAFETY ON THE FARM

SAFETY TIPS THAT ARE ALWAYS IN SEASON

1. Know what's below. CALL 811 before starting any digging project.
2. Always USE A SPOTTER to warn you of any dangers when moving equipment.
3. If you strike a guy wire, NEVER REPAIR IT YOURSELF. Call your local utility right away.
4. WATER CONDUCTS ELECTRICITY, so be careful when irrigating near power lines.
5. Keep yourself and machinery AT LEAST 10 FEET AWAY from overhead power lines.
6. Be extra careful when operating sprayers, planters and cultivators. KNOW THE HEIGHT AND WIDTH OF YOUR FARM EQUIPMENT to prevent accidental contact.

WHAT TO DO IF YOU CONTACT A POWER LINE:

If a power line falls across or near your machinery while you are in it, stay inside and **CALL 911**. Tell bystanders to stay away. If you must exit, jump as far as possible, so no part of your body is touching the machinery when you land. **KEEP BOTH FEET TOGETHER** and shuffle or hop at least 40 feet away.

Be safe.

Equipment is the primary source of horsepower on the farm. It's also tied to the greatest number of severe farm injuries. Respecting and using the equipment properly is vital. Put safety first and everything else second.

Older Radial Arm
Saw—works fine

Rocking Chair/glider

Small Hutch/ TV stand

Ingredients

1 box (16 oz) Rotini pasta
12 slices of bacon
1-pint grape tomatoes
2 cups romaine lettuce
1 small red onion

BLT Pasta Salad

easybudgetrecepies

1½ cups cheddar cheese
¼ cup fresh parsley or dill
1 oz. package of dry ranch
dressing mix
1½ cups mayonnaise

Directions

Start by whisking together the dressing ingredients in a small bowl. When finished, set it aside in the fridge. Then, cook the pasta, following the directions on the box. Drain and rinse the pasta under cold water. Next, cook the bacon until crispy and set it on a paper towel when finished. Add the vegetables, cheese, and herbs in a large bowl, followed by the pasta and bacon. Stir everything together until well combined. Pour the chilled dressing over the pasta and toss to combine. Finally, garnish the salad with the remaining bacon and herbs and serve immediately.

Recipe Variations and Substitutions:

Add diced avocado to the pasta salad to make it more flavorful and nutritious. This creamy avocado pairs well with the smoky bacon and juicy tomatoes.

Grill the bacon and tomatoes before adding them to the pasta salad to give it a smoky, charred flavor. This is an excellent option if you want to add some extra depth of flavor to the dish.

Store leftovers in the refrigerator for up to 2 days.

A Mother's Love

Ingredients:

- 1 pound of unconditional love
- 1 bunch of affection
- 3 tablespoons of trust
- 1 handful of timeless memories
- 2 drops of examples to follow
- 2 cups of patience
- 1 pinch of laughter and tears
- 1 dash of sleepless nights

Season with: Creativity, intuition, tenderness and dedication

Preparation:

To be a mother is the greatest gift a woman can have. She makes an imprint on our hearts and becomes an example to follow. Mother is the noblest title on earth.

Invincible warrior. She dedicates her soul to make sure that her children have everything they need; she is the friend who we never have to tell we are hurting, sad or worried; she already knows.

Mother is the one who can ground us with roots, and yet is able to give us the wings to fly. She makes us feel like the most exceptional and precious person in the world. She holds our hand and protects our heart.

Dedicates her life and soul. She ignores her weariness and her pains; she soothes our sorrows, cures our woes and rejoices in our success. A Mother's love has no end...

HAPPY MOTHER'S DAY!

In honor of a beautiful girl, my daughter, Ava's Light is born. Through this mission of supporting local businesses & organizations in all our communities by helping to promote them with creativity & inspiration, her legacy lives on, one assignment at a time.

The Dam News

My story

When I moved to this area a few years ago from out of state, I realized that all things revolve around beautiful Lake Sakakawea. The communities wouldn't be here if it wasn't for the Dam and because of the incredible history in this area, The Dam News will celebrate all communities and those within that make this so special. ~Brenda
