Home Sweet Home

Submitted by Unleashed!

What started on the stage in the Riverdale High Gym back in 1986 as Dionysus with Jeremy Ostrowski, Erik Elkins, & Craig Nerby has evolved into what we know today as Unleashed! As the years went by these friends and classmates from Riverdale have been on the road and journey of their life. Back in the early years of Dionysus, which means the Greek God of wine, fertility, revelry, ecstasy, and drunken merry making; recklessly uninhibited, frenzied, orgiastic dance and song was also their album cover. It was high school after all! Jeremy started drumming with Erik Elkins (Ez) who played guitar around 1988 and in 1992 they took Dionysus to the next level with Craig Nerby on vocals singing in Jeremy's garage. They even made headlines for playing too loud and one should have known then this was only the beginning.

Jeremy Ostrowski (Shizzo) was born in Cleveland, OH and moved to Riverdale in the 1st grade. He started playing drums after he heard the album Appetite for Destruction by Guns N' Roses. "He played drums in high school and replaced me after I graduated in 1987, says Corey Jesser. He was wayyy better!" Chris Addison (Caddy) on bass guitar, was born in Ogdensburg NY and started playing bass when he was 14. He has played in bands all over the country, New York, San Francisco Bay area and Chicago and ultimately ended up with Unleashed! Greyson Serie (Grey) current lead singer has said, "Caddy is the best bass player he's ever played with. He's technically unbelievable and the ultimate perfectionist." Chris, Jeremy and Erik are all original members of Unleashed! and formed the band in 2010. Erik Elkins (Ez) graduated from Riverdale in 1988. "He was my best friend all through high school," says Corey. Ez started playing guitar around 15 years old, starting Dionysus at 17 and even wrote most of the lyrics for the songs on the album. He has played in a few bands over the years, but CJ has said that "Unleashed! will always be his baby." Greyson Serie (Grey) born in Minneapolis lives in Cambridge, MN. He started singing around

Original album cover for Dionysus

Listen to the band's killer Home Sweet Home Video (click link below)

[UNLEASHED! - Home Sweet Home \(cover\)](#)

the 10th grade and joined his first band at 17. He graduated in 2014 and has been a member of Unleashed! as lead singer since 2015. "He's an amazing vocalist," his range is absolutely phenomenal and can sing all genres of music including rock, country and pop, says Corey. Speaking of Corey (CJ), after graduating high school, he joined the army but has always stayed in touch. From 1988 until 1996 he served with the 101st Airborne Division and afterwards back to ND where he moved in with Ez. In 2002 Corey went back into the guards and was deployed to Baghdad Iraq from 2007-2008 finishing his 15 years of service in 2009. Fast forward to about 4 years ago where they asked him to help with production and booking gigs. "For me it was a no brainer since the 3 of us, Jeremy, Erik and I grew up together and all love to hang out and listen to 80's, 90's music anyway." CJ wears many "hats" as their manager including but not limited to, "roadie, truck driver, booking agent, production manager, etc." and loves every minute. "We are all so close. It's really like a dysfunctional family at times, but we all love each other like brothers. We joke about how after setting up for sometimes 6 hours in the hot sun, then playing for 4 hours until 1 am and then tearing down usually until the sun comes up, why do we do this? But then the next day when we all start group texting and sending pics/videos of how epic the show was, we can't wait to do it all over again!!" And that is our "why"!

The band always takes pride in putting on a full show and making sure people are entertained. "We want people to tell their friends how much they enjoyed the show. We have opened for lots of major acts such as Bret Michaels, Sebastian Bach, Warrant, Slaughter, Jackyl, Steel Panther, Saliva, Hairball and probably a few more." They mostly play 80's with a little 90's, country, and even a little Pop mixed in including AC/DC, Def Leppard, Journey, Guns N' Roses, Poison, Van Halen, Blondie, Back Street Boys and much, much more. We are so excited to be back home for Pick City's 75th Diamond Jubilee Celebration and closing out the night. Home Sweet Home!

NORTH DAKOTA GAME & FISH

PLOTS Guide Online

The North Dakota Game and Fish Department's [Private Land Open To Sportsmen Guide](#) for 2023 is now available online at the Game and Fish website, gf.nd.gov. In addition, the free printed PLOTS guides will be available in late August at most license vendors and other locations throughout the state.

The guide will feature about 800,000 PLOTS acres. Because the guide is printed in mid-August, some PLOTS tracts highlighted in the guide may have been removed from the program since the time of printing. There will also be some PLOTS tracts where the habitat and condition of the tract will have changed significantly. Conversely, Game and Fish may have added new tracts to the program after the guide went to press.

To minimize possible confusion, Game and Fish will update PLOTS map sheets weekly on its website.

The PLOTS guide features maps highlighting these walk-in areas, identified in the field by inverted triangular yellow signs, as well as other public lands.

The guides are not available by mail, so hunters will have to pick one up at a local vendor or Game and Fish offices, or print individual maps from the website.

Equipment Registration Number

Hunters, trappers and anglers are reminded that an equipment registration number, or the individual's name, address and telephone number, must be displayed on all equipment requiring identification.

In addition, written permission is required from the owner of the property, or an individual authorized by the owner, for an individual to install camera/video equipment on private property, and the equipment must be identified.

While on state wildlife management areas, identification is required on items such as ground blinds, tree stands, cameras and traps.

Identification must be attached to cable devices set on either private or public land, and on fish houses left unattended on the ice.

Owners can [generate an equipment registration number](#) by visiting Buy and Apply at the North Dakota Game and Fish Department website, gf.nd.gov. One registration number will be issued for equipment requiring identification.

The equipment registration number does not expire.

Concurrent Season Deer Licenses

Hunters can purchase [additional, concurrent season deer licenses](#) Aug. 16 at 8 a.m. Central time on the North Dakota Game and Fish Department's website, gf.nd.gov. There is no limit on the number of concurrent season licenses a hunter can purchase.

Concurrent season licenses can be used during the archery season with a bow; deer gun season with a bow, rifle or muzzleloader; or during the muzzleloader season with a muzzleloader. However, youth under 14 (at the end of the calendar year) will be issued a concurrent season license for archery only.

Hunters with concurrent season licenses are restricted to the type of antlerless deer printed on the license and must stay in the unit in which the license is assigned.

In honor of a beautiful girl, my daughter, Ava's Light is born. Through this mission of supporting local businesses & organizations in all our communities by helping to promote them with creativity & inspiration, her legacy lives on, one assignment at a time.

The Dam News

My story

When I moved to this area a few years ago from out of state, I realized that all things revolve around beautiful Lake Sakakawea. The communities wouldn't be here if it wasn't for the Dam and because of the incredible history in this area, The Dam News will celebrate all communities and those within that make this so special. ~Brenda
