The Dash

Thank you for making
our Dash greater one
day at a time

Submitted by Breanne Slavik

Wow, what a day, what a week, what a five years... The Dash's Touch a Truck and Food Drive Event was a blow out success. We were able to raise over 700 pounds of food, sixteen hundred dollars, a hundred pounds of personal hygiene products, and over thirty homemade quilts for the Bismarck YouthWORKS. A truly amazing feat, accomplished only with the cooperation and generosity of our incredible community.

The Touch a Truck had over 20 trucks from local businesses and five hundred people show up, ranging from the ND Game and Fish Boat and Pickup to the Mercer County Bookmobile. Children from all ages were in awe, as were their parents. Not often are kids allowed (let alone encouraged) to crawl up onto an industrial boom truck, or inside a Sheriff's pickup, but on July 18th, it was all about the kids, and everyone made sure they knew it. Everyone had something special for them: a frisbee here, a custom diecast pick up, face painting, fresh cotton candy, Cloverdale hotdogs, and the list goes on.

What's even more impressive is that this event was able to remain free to everyone, allowing families of all sizes and incomes to attend without the burden of how to pay for their child's smiles. The Dash could never have pulled this event off without the help of innumerable local businesses and volunteers. Hardware Hank graciously donated their cotton candy machine and water, the Hazen Chamber of Commerce sponsored the buns, our husbands took the day off to cook and coordinate trucks, our volunteers came early and stayed late, all to make sure the day went off without a hitch.

The last five years have given us so much to be grateful for, and I know the next five years will be just as wonderful. We started with a two and a half person operation, and now have a strong well-rounded volunteer support system willing to go to the ends of the earth to make sure that everyone's Dash is the best it can be. Thank you Korrine, Janet, Karen, Diane, Gina, Vivian, Mariah, Nyjah, Bellamy, Alice, Leola, Lena, Theodore, Nikolai, Murray, Mitch, Dave and Darrell. You have all made The Dash the place it is today.

Now that the clean up is done, the sugar is scrubbed from our clothes, and the paint from the tables, we have had a chance to catch our breath and take in the truly fantastic day we had. What was to be a one-off event will now be a staple in the Hazen and Beulah community for what we hope is many more years to come. So, mark your calendars everyone because on July 18, 2024 we are DOING IT AGAIN! Bigger! Better! And just as free as ever.

Finally, one GIANT THANK YOU To everyone who came out for the Touch a Truck and Food Drive, and those who have come to The Dash and will come to The Dash.

Thank you to Shannon Sailer Trucking, Harlow's Busing, Fitterer Oil, Mercer Co Sheriff, ND Game and Fish, Hazen PD, Hazen FD, Lake View Services, Basin Electric, Mercer Co Bookmobile, RDO, Roughrider Electric, WRT, Hazen Ambulance, City of Hazen, Tropical Sno, Street Treats Lemonade Stand, Hardware Hank, Krause's Market, and The Eido Connect.

If you are interested in volunteering or donating, please feel free to reach out to Breanne Slavick @ 701-206-1104.

Thanks for making our Dash greater one day at a time.

NORTH DAKOTA GAME & FISH

Small Game, Waterfowl, Furbearer Regulations Set

North Dakota's 2023 small game, waterfowl and furbearer regulations are set, and most season structures are similar to last year.

Noteworthy items include:

- Opening day for ducks, geese, coots and mergansers for North Dakota residents is Sept. 23. Nonresidents may begin hunting waterfowl in North Dakota Sept. 30.
- The prairie chicken and sage grouse seasons remain closed due to low populations.
- Pre-charged pneumatic air guns are legal for taking tree squirrels.

Hunters and trappers can find the [North Dakota 2023-24 Hunting and Trapping Guide](#), which includes upland game, migratory game bird and furbearer/trapping regulations and other information, on the Game and Fish website. Printed guides will be available at vendor locations in mid-August.

For a complete listing of opening and closing dates, and daily and possession limits, refer to the table on pages 4-5 of the guide.

Pronghorn Hunting Season Set, Apply Online

North Dakota's 2023 pronghorn hunting season is set, with 420 licenses available in eight units.

Bruce Stillings, big game management supervisor for the North Dakota Game and Fish Department, said license numbers are down significantly from last year, when the department allocated 1,970 licenses in 17 units.

"A limited season with a very conservative harvest strategy will be held to provide hunter opportunity while encouraging population growth," Stillings said.

Hunting units 2A, 2B, 3A, 3B, 4A, 4C, 5A and 7A will be open in 2023. The remaining hunting units will be closed due to low population levels not able to support a harvest at this time.

The July aerial survey indicated the overall pronghorn population is down 40% from last year. The fawn-to-doe ratio of 43 fawns per 100 does was the second lowest on record since 1950. The buck-to-doe ratio of 30 bucks per 100 does remains stable and at population objective, Stillings said.

"Significant snowfall fell in early November and winter conditions persisted into April, putting extreme stress on pronghorn," he said. "Losses due to malnutrition were significant based on results from our aerial survey. Fawns and older adults are age classes impacted the most during extreme winter conditions."

Currently, Stillings mentioned, habitat conditions are excellent following above normal winter and summer moisture, which provides ample resources for pronghorn.

"Future population recovery will be dependent on upcoming winter conditions and fawning success in 2024," he added. "Pronghorn fawn production was the second lowest on record following one of the most extreme winters on record."

Each unit will once again have a season that is split into an early bow-only portion, and a later gun/bow season.

The bow-only portion of the season is Sept. 1 (noon) – Sept. 24. Anyone who draws a license can hunt pronghorn with a bow in the unit printed on the license.

From Oct. 6 (noon) – Oct. 22, hunters who still have a valid license can use legal firearms or archery equipment, and again must stay in the assigned unit.

Only North Dakota residents are eligible to apply for a pronghorn license. Hunters who have accumulated bonus points and choose not to apply this year will not lose their points, but will not earn a point for next year. However, hunters who do not want a license in 2023 have the option to purchase a bonus point on the application.

Applicants can [apply online](#) at the Game and Fish Department website, gf.nd.gov.

The pronghorn license fee is \$30 for ages 16 and older, and \$10 for under age 16. Applicants for a pronghorn lottery license must be at least 12 years of age on or before Dec. 31. The application deadline is Aug. 9.

The Dam News

My story

When I moved to this area a few years ago from out of state, I realized that all things revolve around beautiful Lake Sakakawea. The communities wouldn't be here if it wasn't for the Dam and because of the incredible history in this area, The Dam News will celebrate all communities and those within that make this so special. ~Brenda
